Jon F. Turpin vs. Joseph R. Biden Jr., et al.
Civil Action No. 1:23-CV-01059-TAD-JPM

Dear Honorable Doughty:

My name is Erin Golden. I am writing on behalf of my husband, Jon F. Turpin to request the dismissal of the current protective order case no. 89C01-2305-PO-000087. This protective order has been filed under false pretenses, including using a previously expunged case without grounds to access it by the other party and their attorney to find my husband guilty before proven innocent. Along with the loss of constitutional rights, civil rights, and job stability before the initial hearing as well as continued loss of rights.

In my opinion, the other party and their attorney may have withheld and misrepresented information that could have been used in our defense, including my husband's character.

My husband has been a kind and caring man, attending Catholic Mass every Sunday, is family oriented, maintaining a well-paying, steady job until these unfortunate events, which began with threats against our marriage, civil rights, and safety by individuals, including the other parties mentioned in this letter. My husband is simply trying to protect me from those seeking malicious actions because we're Catholic.

These individuals have threatened and caused harm to my safety, future family, health, finances, and job stability, including my husband when we want to live in peace with our God given rights and request restoration.

In addition, he has familial support including myself, my mother, my sisters, my brother, and my grandmother of 102 years of age.

Thank you for your consideration and for your time, Your Honor.

Best Regards,

Erin Golden

The attached are what we received today from a Sheriff here in Delaware County.

In response to these papers:

1. This is not in the Wayne County Court Jurisdiction, neither were any of the cases mentioned during the proceedings, each is and are federal questions, and my due process rights, and civil rights have been denied.

2. In response to the letters under "Findings"

a. The request was not filed in a timely fashion proven by an order from Federal Court which would have denied their filing, which I attempted while we were filing in a timely fashion for our harms and losses due to violation of our civil rights, etc.

b. The court was not required to hold a hearing, because there are and were no legal grounds for the alleged victim, alleged petitioner, and alleged attorney to file, even according to their own words:

1) The alleged victim (A.L.H.) hasn't been contacted since before our marriage, was reported out of genuine concern, the alleged petitioner (M.A.H.M.) responded of their own accord, and the individuals testified against each other, etc.

c. True, we were present, we were also compliant, and presented questions of law and violation of our rights.

d. True, which invalidates the only potential reason for the order listed under "Pursuant to 18 U.S.C. 922(g)..."

"(B) A current or former person with whom the respondent resided while in an intimate relationship:..."

There is no and was no intimate relationship, it was platonic and ended nearly 2 years ago, and this is reiterated to the alleged victim, alleged petitioner, and alleged attorney, via filings, without malice to the alleged victim who failed to report multiple others.

e. False, In my opinion, this was not effectively heard, and is a violation of our civil rights, safety, unconstitutional at face, and as applied. This is a federal question of law, civil rights, constitutional rights, separation of powers, and prosecutorial vindictiveness.

f. False, the alleged victim and alleged petitioner create a credible threat of safety to us, and my wife is so concerned for her safety, and our lives, from the colluding parties, she wishes to have protective orders filed against each of them to prevent their harms. *[to us]*

g. False, the alleged petitioner perjured themselves in court regarding a family business attached to a Revocable Trust used to violate our 14th amendment due process rights, and our bill of rights. Importantly, they also testified I'm not abusive nor violent.

h. True.

i. False, unless it was placed upon the alleged victim, alleged petitioner, and any colluding parties for our safety.

1. I already don't, he threatened me, and my wife. I was very clear in my testimony that I forgive the alleged petitioner. Suing them is unfortunately necessary.

2. I already don't, I reported them out of genuine concern. I was very clear in my filings that justice is for authorities. This doesn't mean I can't defend us peacefully with all of our rights.

3. I already left, due to their threats and attempts to violate my civil rights, and being harmed. Now the alleged petitioner, alleged victim, and their alleged attorney have violated our rights further.

4. I already do, and I was very clear I wish to avoid them in my testimony, and in filings to civilly sue them as suggested by multiple professionals and law enforcement.

LEO = Law Enforcement Officer

Much of this I hear from Dad consistently. Now it's written by my Mom, Linda K. Turpin:

Let me start by saying our conversations are over until he him, someone can either be referred to as Jon or Dad.

I have cleaned and cleaned at 9 Mulberry. But pure was left for me to clean. I am still working on the smell in the back entry area. When a house is not maintained properly it is not to be sold to that individual (Jon F. Turpin).

Moving out in the middle of the night without giving the 45 days notice as per the contract shows a total lack of following obligations/rules. Without another permanent location to go to, I call this totally irresponsible.

Posting private information, some skewed, some false on Facebook for all to see is unconscionable. Some of this information could get him sued for defamation of character.

Having a local policeman show up at our door at 1:30 A.M. to accuse Jon of taking a gun that belongs to JT and to tell us we were not to attend the wedding, shows a total lack of respect that I cannot begin to fathom.

Ranting on and on about a trust fund. There is no trust fund. There is a trust. Read up on a trust. I don't feel like explaining it.

Moving in with Michael and Andrea and again bailing in the middle of the night. Having them move his belongings out of their house.

Somehow most of JT's "friends" are no longer talking to him. How can you alienate so many people in just a few weeks?

I am tired of JT's attitude on how to treat people, investments, get rich quick schemes, drugs.

Bringing a sheriff and local policeman to our property on Dec 27th has pushed me passed the limit on what I can tolerate.

I don't believe you were looking at houses or, at least, not seriously until JT jumped ship, so to speak.

Some of your items that were left on our property are in the 9 Mulberry garage. They can stay there until you find a place. No police, no sheriff, etc. when you come to get them. Just text me and I will take you alone.

Why?

He
disowns me.
Dissolve Trust.

Not your
issue, and
you promised
to sell home.

Safe

Dad often

He did
that himself.

They were

Categorically
False

You lied to
LEOs.

We were,
it's a fact.

Withholding

I only moved

this was
violated, and
we had to
leave for
our safety
before I
could finish

just to get

our faith
under God.
This
persists.

Yet you are still colluding with others to deny our civil rights via false allegations and denying reality, and avoiding accountability.

LEO = Law Enforcement Officer

are in the 9 Mulberry garage. They can stay when you find a place. No police, no sheriffs, etc. when you come to get them. Just text me and I will leave you alone.

I do have your Christmas and Wedding Presents. I can place them in the 9 Mulberry garage if I know when you will be arriving to get them (at a reasonable hour). I do not want to be present.

JT told me to leave him alone and give him space. I have no problem doing that. There is so much more I could say, but this is enough.

Until JT and you are truly sorry about the things that have transpired, and JT seeks professional help, I prefer only to have limited contact by text messages.

I wish you both happiness.

Withholding
and
avoiding
LEOs.

I'm sorry
you feel
that way.
I've gone
repeatedly,
it's your

Then why
lie and
try to
destroy our
civil rights
and/or
enable it
to the
point we
have no
choice but
to petition
for protection
and relief,
etc.?

May Dad and/or Michael defame me to Mom to remove me from a Revocable Trust?

May the defamation leveled against me align with potential reasons for removal?

May Dad still be in possession of a .410 shotgun which was purportedly bought for me?

May Dad use a "two birds one stone" technique in multiple facets of life?

ORDER ON DEFENDANT'S MOTION FOR PARTIAL SUMMARY JUDGMENT

This matter comes before the Court on defendant's, Western Wayne School Corporation ("Western Wayne"), Motion for Partial Summary Judgment. Plaintiffs, Jon Brent Turpin and Linda Becker Turpin (collectively, the "Turpins"), filed this lawsuit individually and on behalf of their son J.F.T. ("JT"). The Turpins contend that JT was subjected to verbal and physical abuse in Western Wayne Schools stemming from sexual orientation discrimination. The Turpins bring three federal claims in this suit, one based on Title IX of the Education Amendments Act of 1972, 20 U.S.C. §§ 1681-88 and the other two based on 42 U.S.C. § 1983 predicated on violations of the Due Process and Equal Protection Clauses of the Fourteenth Amendment. The Turpins also bring a negligence claim under state law against Western Wayne. The Turpins make additional state law claims against the parents of one of JT's alleged abusers. Western Wayne argues that it is entitled to summary judgment on the Turpins' Title IX and § 1983 claims. Western Wayne does not seek summary judgment on the negligence claim but requests that the
